## ACADEMIC DETAILS

Class	University / Board	College / School	Year of Passing	Percentage / CGPA
Fourth Year 1/2	Savitribai Phule Pune University	Keystone School of Engineering	2020	80.43%
Third Year	Savitribai Phule Pune University	Keystone School of Engineering	2019	78.40%
Second Year	Savitribai Phule Pune University	Keystone School of Engineering	2018	73.21%
First Year	Savitribai Phule Pune University	Keystone School of Engineering	2017	64.76%
HSC	State Board Maharashtra	S V Union Jr. college, Pune	2016	70.15%
SSC	State Board Maharashtra	Guru Nanak High School,Pune	2014	80.80%

## TECHNICAL SKILLS

- Strong : Python, HTML, CSS, JavaScript, SQL
- Familiarity: Java, C/C++, Django Web Framework, Machine Learning, Tableau, Photoshop

## PROJECTS

### Optimal Stopping Algorithm For Interview Process

Using the algorithm used in "The Secretary Problem" I made a web app for an interviewer to optimally shortlist candidates based on human intuition and by using a machine Learning classifier. Time given for the interviews and Quality of candidates is disputably achieved in this algorithm. You can see this project on my Github.

([www.GitHub.com/HusainShaikh895/optimal\\_interview/](https://www.GitHub.com/HusainShaikh895/optimal_interview/))

## EXTRA - CURRICULAR ACTIVITIES

Runner up in C\_mantics 2019, an annual event held at Keystone SOE, Pune. I went on to organise the same event next year.

## PERSONAL INFORMATION

- Strengths**
    - a. Supportive team member
    - b. Leadership
    - c. Strong Communication
  - Languages**
    - a. English – Native or Professional Fluency
    - b. Hindi - Native or Professional Fluency
-
